Summer in Riederalp

Hiking, mountain tours and bike rides start almost at the doorstep. The Great Aletsch Glacier is part of the UNESCO World Heritage Swiss Alps Jungfrau-Aletsch. The golf course and driving range are located directly in the resort.

Winter directly on the slopes

Casa Codasi is located directly in the Aletsch Arena ski area. The piste runs immediately below and beside the chalet, allowing direct access from the house. Winter hiking and snowshoe trails provide further options.
